

Upgrade your decor in unmatched ways...

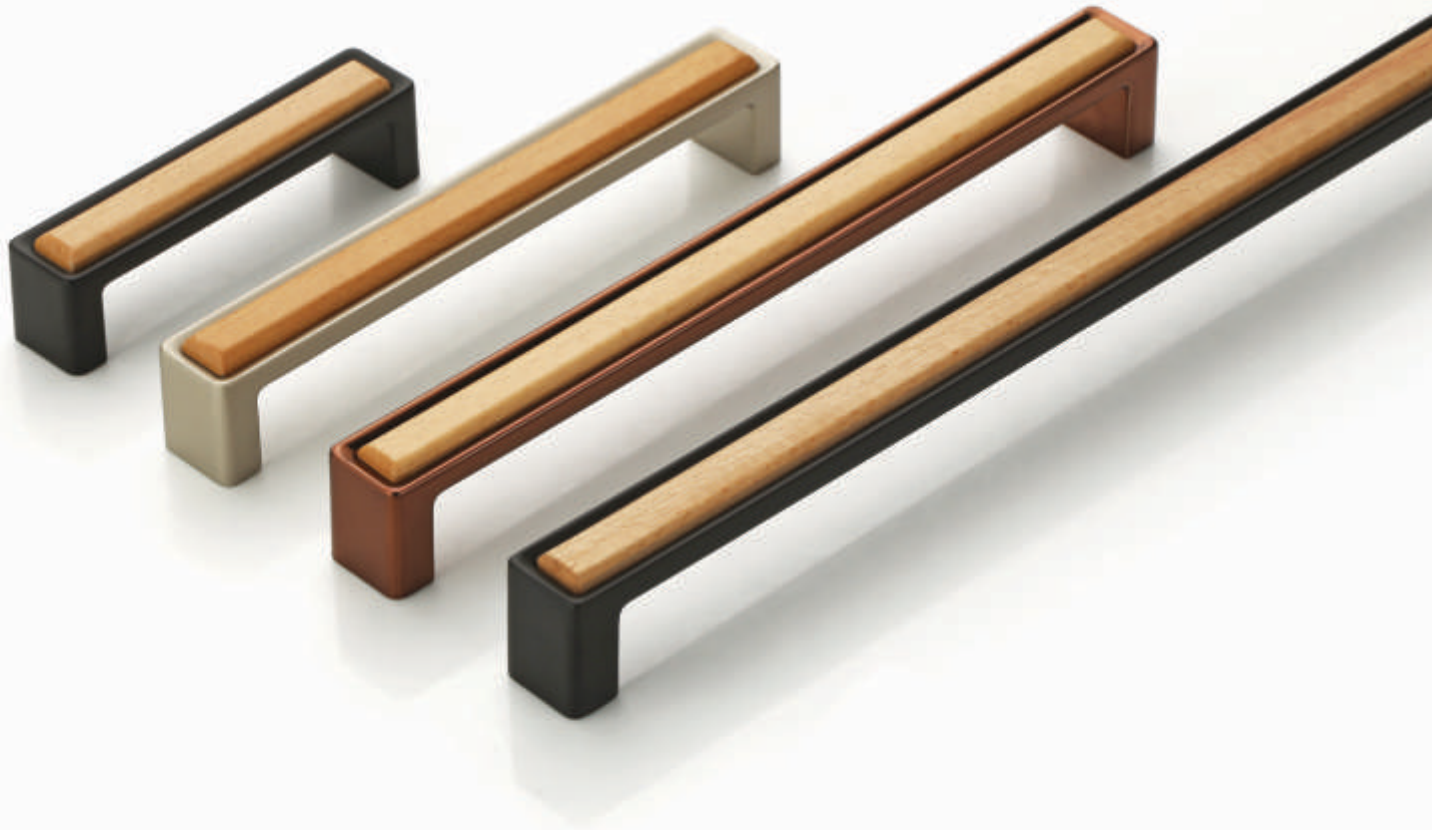

## it's high time to upgrade!

Be it life, business, or decor, taking a quantum leap is all that we should strive for.

In other words, we need to upgrade, all the time, in everything !

## Welcome to Upgrade – An easy way to excel

Architectural hardware is striking fine balance between agility, finesse, and functionality. With our happening brand Upgrade, we take it a new level of innovation and exclusivity.

Any type of decor, whether for a home or a business, necessitates high-quality architectural hardware to complement the design concept. Upgrade hardware works in the same way, thanks to its unrivalled precision and originality.

At Upgrade we design and deliver high-quality Cabinet Handles, Drawer Concealed Handles, Drawer Knobs, Drawer Kadi, and Handles for Glass Doors. There are the products that have made waves in the market and carved out a niche for themselves in a short period of time.

Graceful designs, maximum perfection, and reliable functionality set our items apart from the competition.

## Vision

Meeting all the needs of known architects, interior decorators, and end-users with the finest architectural hardware and become their first choice of hardware provider.

## Upgrade Quality Assurance

Each of our products goes through a series of quality assurance inspections, from obtaining raw materials to designing and producing the hardware.

When you rely on an Upgrade product, we promise you that you can rest assured that it will be of the highest quality.
